Re: Nomination of Laura Flynn Baldini for the position of Judge of the Superior Court

Dear Chairman McDonald, Chairman Lawlor and other members of the Judiciary Committee

I am writing in support of Attorney Laura Flynn Baldini's nomination to serve as a Judge of the Connecticut Superior Court. I have known Laura professionally and personally, and in my 32 years of professional work experience, the professional and personal character of Laura is amongst the highest standard of any individual I have known.

Laura has demonstrated her integrity, character, knowledge of the law and commitment to clients every time I have interacted with her, whether we have had the same client or separate clients. She goes above and beyond to respond to clients in a timely manner.

Laura is a native of the state, truly involved in her local community and our state wide community, donating her personal time and resources to ensure Connecticut maintains and evolves the culture, community spirit, and well being for which it is known.

Any individual that has interacted with Laura walks away knowing she is a person of exemplary qualities, integrity beyond reproach.

The work she has performed for the clients, as well as the company I work for, has met or exceeded the highest standards every time. Laura will work with our compliance, audit, closing and legal departments to ensure the work we have retained her for is done accurately and on time. Laura has worked evenings, weekends to meet our needs, all of this with total professionalism and courtesy.

I know Connecticut will be well served having Laura Flynn Baldini serving as a Connecticut Superior Court Judge. In this time when our fellow citizens have lost faith and confidence in our government officials as the result of a few, Laura's actions, integrity, character, are what we need to earn and restore the public's faith and confidence in our government officials.

It is my pleasure to strongly endorse and request your support of the same without delay, to place Laura Flynn Baldini to the position as a Judge of the Connecticut Superior Court.

Sincerely,

Michael Mahoney
